

# ”ATTENTION ALL PLAYERS”

## Romeo Dart League Guide

To insure fair and accurate team standings, we need your help in keeping accurate and complete registrations and score sheets.

### Teams & players

- Team names can only have a maximum of (16) Characters including spaces.
- All teams will also be issued a number to be filled out on score sheets.
- If there is no team name, captains last name will be used.
- There is a maximum of (4) subs allowed for a (4) man team.
- There is a maximum of (2) subs allowed for a (2) man team.
- A team player/sub cannot play for another team in the same division/night.
- For any team/player name corrections, go to website and complete form, or write corrections to be made on top of score sheet.
- League policy is no pay, no play! However, if someone is light that week, please make sure you write on the money envelope or score sheet what team and player is short.

### Filling out score sheets

- Please print clearly, team name/number, and full names of players and subs.
- Complete all fields in score sheet to insure proper scoring.
- For wins and assists: Use (W) for wins and (A) for assists.
- Sample filled out score sheet posted on website.

Thank you for your cooperation.
